

December 2nd, 2011

The Mann Art Gallery is completing its annual *2012 Membership Campaign* and we would like to be able to count on your support. We have always had a strong dedication towards community pride through our activities promoting understanding and involvement within our diverse society. We strive to encourage the development of culture in school and at the workplace, and advance the open exchange of ideas and values. With your support we will continue to make the MAG the cultural centre of the region.

With your contribution, you will:

- Receive a Membership Card (beginning in 2012) and **one** or **two** votes (depending on contribution level) at our Annual General Meeting
- Be recognized as a local sponsor or co-sponsor through various promotions.
- Receive invitations to special events, activities and receptions.
- Receive a quarterly newsletter detailing what's going on at the gallery.
- Have in-house access to our digital equipment including a camera, projector, Laptop computer, scanner, colour photocopier, and overhead projector (contact us for details).
- Have in-house access to our matte cutter and etching press.
- Have access to a small borrowing library featuring books, magazines and artist catalogues of local, National, and International artists and exhibitions.
- Have the opportunity to exhibit and sell your artwork in the MAG's annual Winter Festival Juried Art Exhibition.
- Know you have contributed to the cultural well being of our community.

Funds raised from this program support a variety of the MAG's programs and initiatives including the supplies for our youth's *hands-on* activities, tours, and workshops. Many educators and their classes have visited the Mann Art Gallery through our School Tour program. In 2010 alone, we received over 10,440 visitors including over 40 education tours with 850 students. In addition to the unique educational prospects, local artists are provided with regular workshops, classes and exhibition opportunities and with your investment we will expand and enhance these programs to better serve our community.

All you have to do is fill out the form (included) and mail it (or drop it off) along with your chosen contribution to the address listed below. I thank you for your time and consideration and I hope that we can count on your continued support in the future. If you have any questions or concerns, do not hesitate to contact the Mann Art Gallery at your earliest convenience.

Sincerely,
