14TH ANNUAL HIGH SCHOOL JURIED ART SHOW

About

For the past twelve years, the Mann Art Gallery has presented art by local high school students in the Project and Education Studio Galleries of our beautiful space. This year, during the High School Juried Art Show period (April - June), we are determined to showcase and celebrate the artistic achievements and creative vision of talented students through an exhibition!

The Process

All Grade 9 - 12 students in Prince Albert and the surrounding area are invited to participate in this exhibition.

We will temporarily frame, hang and light physical artworks. A website page will also be created to highlight the award winners.

Artworks will be juried for cash prizes which will be presented on the Opening Reception and Awards evening April 15, 2025.
